EXPERIENCE

Engineering Intern

COPEN PLC

May 2022 - Aug 2022 (3 months)

- I was employed as a student intern under the Construction Department of the company.
- I was drilled on the various construction, negotiation and marketing processes involved in the construction of affordable real-estate properties.
- I was tutored on the various unit processes and unit operations that take place in the construction process as well as methods involved in negotiating contracts between vendors and suppliers of various goods needed on site.
- I participated in various leadership, Human-resource management and Operational Health Safety classes and was brought up to speed on the use of Personal Protective Equipment(PPE), how to properly manage a site and its workers.
- I assisted the team in various office work requiring the use of the MS Office packages.

Student Intern

Bibo Chemicals and Manufacturing Industry

Jun 2023 - Aug 2023 (3 months)

- I was under the production and packaging department and was engaged in the production of several of the company's products such as Bibo paints, Bibo sanitizers and Bibo soaps.
- I was responsible for the sampling of all reagents and accuracy of measurement. I was engaged in post-production processes such as quality check and packaging.

Student Intern

CENTRE FOR SOCIAL AWARENESS, ADVOCACY AND ETHICS (CSAAE)

Aug 2023 - Sept 2023 (1 month)

- I learnt the art of content creation throughout the internship period.
- During my internship, I gained invaluable insights into the world of content creation and video editing. The orientation process provided me with a strong foundation, introducing me to the company's culture and emphasizing the importance of team collaboration.
- Through hands-on experience, I learned that content creation is a strategic endeavor, involving meticulous planning, research, and audience-centricity. Video editing, on the other hand, taught me the art of transforming raw footage into engaging final products through meticulous editing, audio enhancements, and visual adjustments.
- Overall, my internship experience not only broadened my skillset but also emphasized the significance of creativity, attention to detail, and adaptability in the ever-evolving field of content creation.

Student Intern
Unique Art Studio, Enugu State.
July 2019- September 2019

- I was mentored as an art student for three months, learning the fundamentals of form and design and how they relate to art. I was made to use tools like brushes, pens, charcoal pencils amongst others to create life-like portraits.
